## Pooch Policy Agreement

We are passionate about providing our guests, both human and canine, with a luxurious and relaxing stay. For the safety and comfort of all our guests, we kindly ask that you review and agree to abide by the following guidelines:

- There is a \$175 per stay nonrefundable pet fee, for stays from one to four nights. This fee will be charged to your account upon arrival. Stays of five nights or longer will be assessed an additional \$175 fee.
- Two (2) dogs maximum per room. There is no weight restriction. We regret that we do not accept cats or other domestic pets.
- Dogs must be registered at Reception during check-in and owners must sign the dog agreement.
- Rooms in the Agassiz Mansion are not equipped to accept dogs. Dogs are permitted in the Harbor House, Beach Cottage, and Beach House room categories.
- Dogs must be leashed when outside of your guest room.
- Dogs are not permitted in the lobby, restaurants, and bars of the Inn, nor are they permitted on The Lawn or Chalet Lawn, or on The Inn's private beaches from May through October. **Service Animals are exempt.** Please see Reception for a list of dog-friendly area restaurants.
- Housekeeping services need to be pre-arranged with Housekeeping so that the dog is with his or her owner, or removed from the room, during service.
- Do not leave your dog unattended in your guestroom. If it is reported that your dog has been left unattended in rooms, any reported noise disturbance will necessitate entry of room by hotel staff and/ or require you to return to your room to collect your pet.
- You are responsible for cleaning up after your dog on hotel grounds and properly disposing of the waste in designated containers.
- Please be mindful of any excessive noise to ensure that other guests are not inconvenienced, both in public areas and in guest rooms.
- Owners will notify the management of any dog "accidents" immediately and request special cleaning efforts.
- Your pet(s) should have all recommended vaccinations. You agree to obtain and provide current records from a licensed veterinarian should Castle Hill Inn request this information.
- You are responsible for any damage or disruption your dogs may cause. If additional deep cleaning is necessary, or there is damage to the room and furnishings, an appropriate fee will be added to your account, even if the conditions are discovered following your departure.
- Dog beds, food/water bowls and food mat provided in-room are to be enjoyed whilst your dog is in residence. To purchase these items, please contact Reception.
